### SUMMARY

Pursuing a Bachelor's degree in Computer Engineering with a strong foundation in software development, I am proficient in a variety of programming languages including Java, Python, C++, HTML, JavaScript, React.js, Node.js, and SQL. I am eager to apply my academic knowledge to real-world environments, driven by a passion for problem-solving and a commitment to continuous learning and professional growth. With excellent collaboration and communication skills, I am dedicated to efficiently sharing ideas and opinions, contributing effectively to team success.

### TECHNICAL SKILLS

**Languages** : Python, C++,Java,HTML,CSS,JavaScript

**DevOps** : GitHub, Azure

**Framework** :Reactjs,Nodejs,Expressjs,Nextjs

**Cloud and Security Tools** : AWS, Azure Cloud, SQL Server,Linux

**Database** :MySQL,MongoDB

**Others** :Problem Solving,Data Science,OOPS,DSA

### EXPERIENCE

**Web Developer Intern** | Vionsys IT Solutions

1st June, 2024 - Present

- As a web developer intern, my primary responsibilities include assisting with website design, development, and maintenance tasks. I collaborate with the team to develop and implement responsive and interactive web applications using HTML, CSS, JavaScript, and React.
- Gaining hands-on experience in optimizing website performance, ensuring cross-browser compatibility, and enhancing user experience.

**Data Science Intern** | CodSoft

15 Dec, 2023-15 Jan, 2024

- As a data science intern, my primary responsibilities included assisting with data collection, cleaning, and preprocessing tasks. I collaborated with the team to develop and implement machine learning models for predictive analytics and data-driven insights.
- I gained hands-on experience in analyzing large datasets using Python and various data science libraries such as pandas, NumPy,matplotlib and seaborn

**Web Development and Designing Intern** | Oasis Infobyte

15 Oct,2023 - 15 Nov, 2023

- The internship experience provided me with valuable insights into the web development process, strengthened my technical skills, and prepared me for a career as a proficient web developer.
- Front-End Development: Utilizing HTML, CSS, and JavaScript to create responsive and user-friendly interfaces, ensuring compatibility across different browsers and devices.

**Java Programmer Intern** | InternPe

07 Aug, 2023 - 03 Sep, 2023

- During this internship, I focused on enhancing my skills in Java programming, including object-oriented programming principles, data structures, and algorithms.
- My internship as a Java Programmer provided me with a solid foundation in software development practices, teamwork, problem-solving, and continuous learning,

### CERTIFICATIONS

**Solutions Architecture Job Simulation** | AWS

January 2024

**Python for beginners-start to code with Python** | Infosys

July 2023

**Fundamentals of AI,amp;ML** | Infosys

July 2023

**The Complete 2024 Web Development Bootcamp** | Udemy

June 2024

### PROJECTS

**Ecommerce website** | HTML, CSS, Php, Xampp server, SQL

Nov 2023

- Throughout this project, we have outlined the fundamental components of the system, from the conceptual design using Entity-Relationship modeling to the creation of a user-friendly Graphical User Interface.

**Notivos website** | HTML, CSS, JavaScript, Reactjs

June 2024

- Designed and developed a dynamic, responsive website using HTML, CSS, JavaScript, and React. Implemented interactive user interfaces and optimized website performance for a seamless user experience.

### EDUCATION

Savitribai Phule Pune University  
Army Public School Pune

**B.E.- Computer Engineering** | CGPA : 8.42  
**12th CBSE** | Percentage: 93.6%

2021 - 2025  
2020 - 2021
